Countdown Footer: Get your tickets ready

Countdown For: 10 Mins and 0 Seconds

Auto Close: ☒

Display Countdown

Display Countdown: Push to Screen

Like before, add the required details, this time with an additional countdown and hit the 'Push to Screen' button to push the countdown to the screen.

Quick Draw

To start Quick Draw, hit the 'Quick Draw' button on the main menu.

The screenshot shows the 'Quick Draw' interface. On the left, there is a dark purple box labeled 'Previously Generated Numbers'. To its right is a large light purple box displaying the number '0'. Below the 'Previously Generated Numbers' box are two buttons: 'Generate Random Number' and 'Clear'. To the right of the large number box are two input fields: 'Starting Ticket (inclusive)' with the value '1' and 'Ending Ticket (exclusive)' with the value '15'.

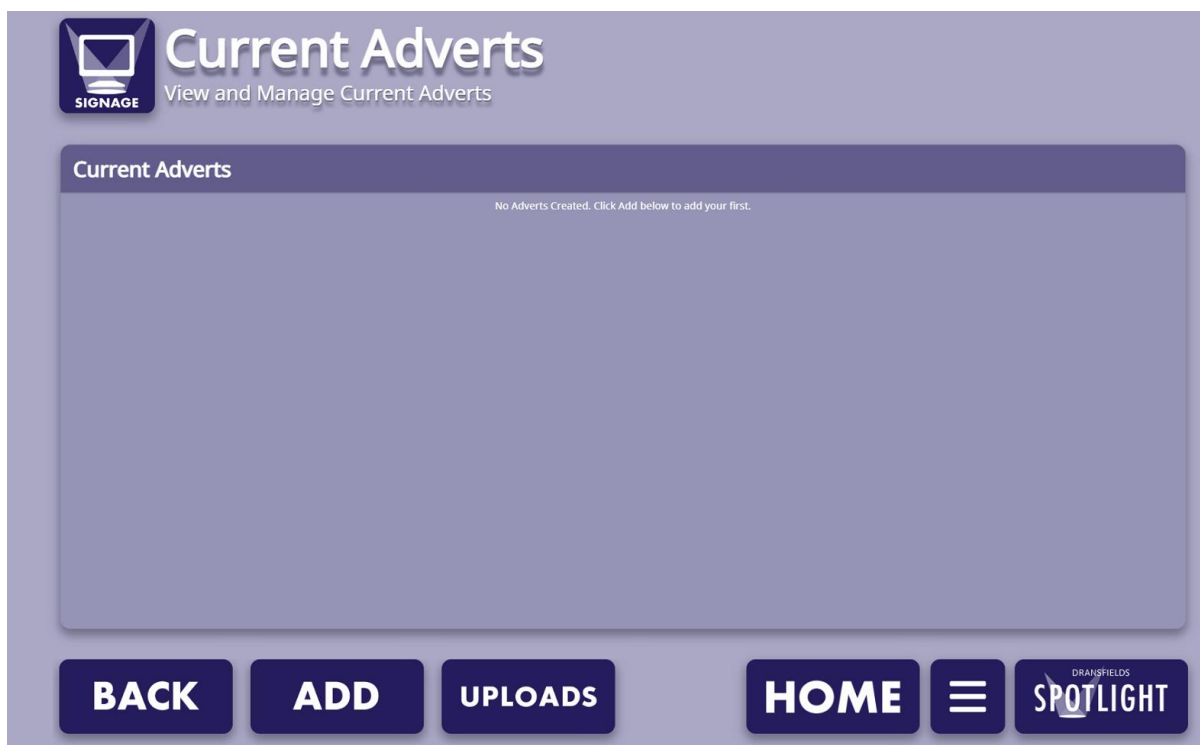

To generate a random number, hit the 'Generate Random Number' button, to clear this button, hit the 'Clear' button.

The starting and ending ticket can be changed on the bottom right hand of the screen by clicking the corresponding boxes:

The screenshot shows the 'Quick Draw' interface with a dark background. The 'Previously Generated Numbers' box now displays '1. 12'. The large number box displays '12'. A numeric keypad overlay is visible at the bottom, featuring buttons for digits 1-0, letters q-p, a-s-l, z-m, and a '123' button. A '15' is displayed in a box above the keypad, and an 'Enter' button is at the bottom right.

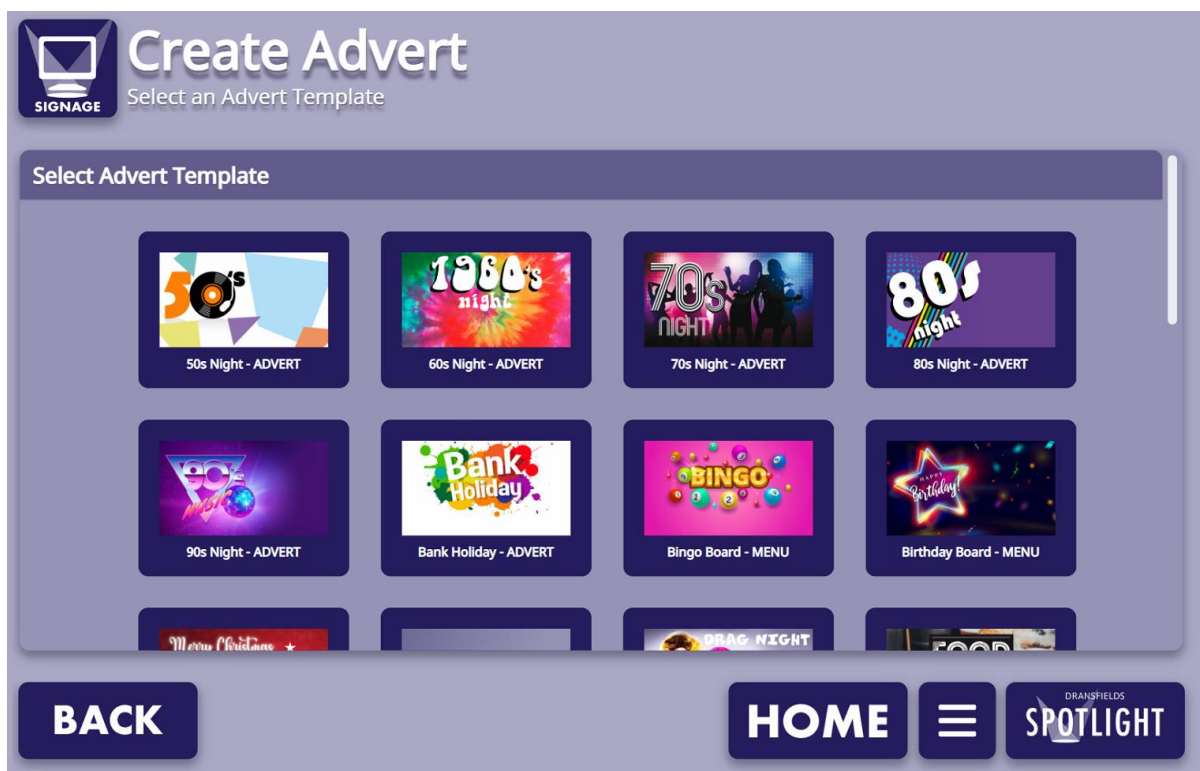

Signage

To go into signage, hit the 'Signage' button on the main menu:

From here, you can see a list of the signage that Spotlight is currently running. To add signage, hit the 'Add' button.

Here you will be able to see all the templates on the Spotlight system:

To create an advert, hit the 'Select' button on the template you want to use.

Enter the required details, using the scroll bar to move down the page:

Advert Template	
Template Name	Drinks Board
Template Description	MENU
Advert Settings	
Advert Name	<input type="text" value="Enter Advert Name"/>
Advert Parameters	
Menu Item 1	<input type="text" value="Menu Item 1"/> Maximum Length is 40 Characters
Menu Item 2	<input type="text" value="Menu Item 2"/> Maximum Length is 40 Characters
Menu Item 3	<input type="text" value="Menu Item 3"/> Maximum Length is 40 Characters
