National Association of Railway Clubs, Association of Independent Clubs.

Carry on Doctor

Great features! Great fun!

- Look out for hidden features on offer on the Carry On Doctor Squares. Refusing these adds letters to the name trail, fill it up to activate the Super Feature.
- Once in the Super Feature the Blood Bank will spin off to one of the remaining values. Take the offer or gamble on for more, play until the end and reveal your hidden prize.
- Progressive Cashpot (with visible reserve) can be won directly from the reels or via the Super Feature. Can be fixed to jackpot.
- Reel wins can be gambled in the gamble panel. Reach a lit exchange point to swap the win for a feature entry. Move around the board and build up the cash meter, but try and avoid the Matron! On Doctors Orders you could be discharged or receive a cash injection!
- Light the 3 pills to access the Super Ward and a chance of some big wins.
- Land on the 'Nudge' square to access the nudge pot and see what's on offer from the reels.
- 3 Sids in a row on the win-line start the feature, 4 Sids opens the Super Ward.
- Multi-stake base game – move up stake to increase the win-multiplier – all wins and board values are raised by the value shown!
